Chess & Math Summer Camp

PEN Education Centre is offering a 5 day Chess and Math camp program from July 4th to July 8th. The camp will be hosted at the PEN Education Centre in Oakville. This camp will be suitable to all levels of chess players including those novice players. Campers will learn skills in chess as well as applying mathematics to their chess game. The day also includes creative outputs such as music and arts appreciation to improve problem solving and critical thinking, and outdoor activities to enjoy physical exercise.

Requirement and program design

Minimum age is 5 and maximum age is 14. The camp is ideal for all kids interested in the game of chess and math. Our program will cover a curriculum suitable for novice to advanced level chess players. Maximum capacity is 30 campers.
